

Picky

Morishita Hiromi

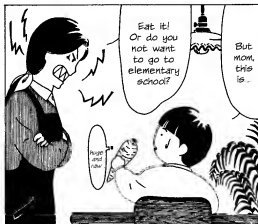

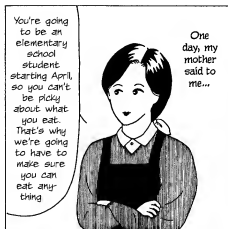

Let's be
good children
and leave no
leftovers.

Good
children
are not picky
about their
food.

I am a child
in kindergarten
that will enter
elementary school
in April.

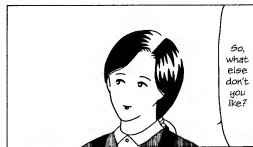

If you don't eat it, then mom's going to get mad at me.

Oh, I know! Chakra, you're a cat, so you can eat anything, right? Eat it for me.

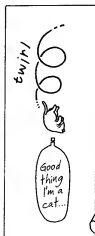

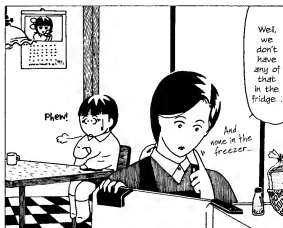

What am I going to do, Chakra? I can't eat it at all!

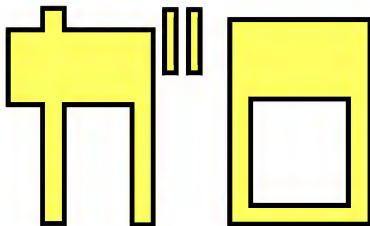

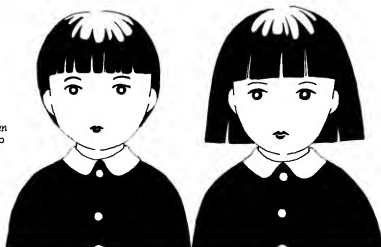

The End

Let's be
good children
and leave no
leftovers.

Good
children
are not picky
about their
food.
